All the resources in this catalogue will help your pupils aspire to achieve great things through their School Council. But don’t forget that we back it all up with tailor-made training to help you and your pupils fully understand what they should be achieving.

An effective School Council, with full reporting, is hugely beneficial in an OFSTED inspection.

Our licensed and experienced Trainers will come to your School and work with you and your School Council to cover the aspects of Student Democracy and Citizenship that you feel need reinforcing or expanding upon.

To give a few examples (but by no means an exhaustive list!), we can cover:

- Decision Making
- Negotiation
- Peer Support
- Project Management
- Teaching & Learning (including Students as observers)
- Whole school approach to participation

Each Trainer will work with up to 25 people (students or staff, or both) and this could be single school or cluster training.

Prices start from £400 plus VAT for a half day, single school.

If your school is within an approximate one hour drive of Sutton, Surrey or Frodsham, Cheshire, we can offer a TWO HOUR, ONE-TO-ONE session for your Link Teacher for £175.00 plus Trainer’s travel expenses. This cost includes resources to enable the Link Teacher to work with your School Council effectively.
